Sir:

The undersigned, on behalf of VERTEX PHARMACEUTICALS INC., hereby disclaims the terminal portion of any patent granted on the '043 application which would extend beyond the expiration date of the '784 patent.

The undersigned, on behalf of VERTEX PHARMACEUTICALS INC., agrees that any patent so granted on the '043 application shall be enforceable only for and during such period as the legal title to said patent shall be the same as the legal title to the '784 patent, this agreement to run with any patent granted on the '043 application and to be binding upon the grantee of the patent and its successors and assigns.

The undersigned hereby states and certifies that:

1. The undersigned is an agent of record in the above-identified patent application and is authorized to act on behalf of assignee corporation in connection with said application; and

2. The above-identified assignment document has been reviewed and, to the best of the undersigned's and assignee's knowledge and belief, title to the '784 patent and to the '043 application is in assignee.
